

# Milton Keynes Boiler Cashback Scheme

The installation of an efficient heating system is an effective way of reducing your household energy bills, CO<sub>2</sub> emissions and maintenance costs.

**To register your interest in the scheme, please ring us on 01908 699 990**

Residents in Milton Keynes can now receive £150 for upgrading an old, inefficient boiler. The grant is available to all home owners and private landlords within Milton Keynes.

**More information is available at: [www.usea.org.uk](http://www.usea.org.uk)**

# Milton Keynes Boiler Cashback Scheme

## What to do next:

- Register your intent to upgrade your boiler by telephone (01908 699 990). You will then be sent an application form.
- Seek quotes from several Gas Safe registered (or competent person in the case of oil) installers to gain value for money.
- Arrange the installation of your new boiler with your preferred Gas Safe registered installer.
- Pay for the boiler and installation work up front.
- Claim back £150 by sending the completed paperwork to USEA within 16 weeks from the date you registered with us.

**Please note, if you proceed with your installation before you register your intent to upgrade your boiler, you will invalidate the claim and you will no longer be eligible for the £150 rebate.**

This grant is available together with any other available schemes or grants such as Warm Front and discounts made by energy companies or local installers.

To be eligible for the scheme the boiler being replaced must be D rated or lower (less than 82% efficient). You can check the rating of your boiler at [www.boilers.org.uk](http://www.boilers.org.uk).

Please note that Milton Keynes Council and United Sustainable Energy Agency accept no liability whatsoever for contracts entered into between the contractor and the customer. Milton Keynes Council and United Sustainable Energy Agency do not endorse any particular product or installer and advise customers to obtain more than one quote.
